We can furnish you a copy of the letter of J. Edgar Hoover in which you are interested for \$1.00. To order please send a check or money order payable to the General Services Administration (NND) addressed to the attention of the Cashier, National Archives and Records Service, Washington, D.C. 20408. It would require too much time for our staff to furnish the other information requested in your letter. We shall be pleased to make records of the Commission available to you in our research rooms in order that you can search for this material.
